

**Success comes from working together.**

Our event this month is at Enterprise England on Tuesday 19th March. The time, as always, is 6.15 to 8.30pm. The address is Enterprise England on the second floor of Maidstone House, King Street, Maidstone ME15 6AW. Mike Cochrane is our speaker. He is a Business Growth Expert, Problem Solver and a highly sought-after Motivational Speaker who has spent a total of thirty years in the automotive industry, twenty of which included building his own multi million pound businesses. Mike's primary business skills are in sales and marketing and leadership. His purpose now is to give people the proven tools, tactics and strategies, that when applied, produce awesome results instantly in both their personal and their business lives. Having started on the shop floor and earned the respect of those around him by coming up through the ranks to build his own multi million pound businesses he believes the key to success in any business starts and finishes by what happens in the boardroom which is why he is committed to help and support CEO's, Managing Directors and Senior Management who are seriously looking to grow their business and optimise results. Mike has also turned around many other businesses in different business sectors using his proven methodology. Mike helps his clients identify opportunities within their business that when developed and implemented increase sales, productivity, efficiency and profitability as well as invariably reducing stress and staff turnover.

**"How to Create  
Awesome Results  
Instantly" both in  
your personal and  
your Business lives**

If this is your first time your attendance will be free. You can join and receive all the benefits or pay for each event you want to attend (not the best value)! **If you book you must attend (a charge is made for booking and not attending).** Please feel free to phone 01622 820841 to ask any questions you may have.

Networking is a method creating events designed to systematically make contact and exchange information with other people and businesses to develop mutually beneficial relationships, and to access and share information. Maidstone Business Networking have developed a successful strategy to help make this work easily for any attendees, including pre-start and new businesses.
